

## 360 Small Flush Mount ADA T20

### DESCRIPTION

Modern meets practical in the 360 flush mount ceiling fixture by Tech Lighting. What makes the 360 unique is its plated base and the perfectly circular crisp White glass diffuser. Light is pleasantly dispersed in a 360-degree direction making this flush mount ideal for general illumination in places such as family rooms, basements and hallways. The 360 ceiling fixture is available in Antique Bronze and Satin Nickel and comes in two distinct sizes, small and large. Available lamping options include incandescent and compact fluorescent, both lamping options are fully dimmable to create the desired ambiance. For a list of compatible dimmers please refer to dimming chart for more information. Ceiling mount only. Incandescent includes one 120 volt, 40 watt, 167.6 delivered lumens, G9 base halogen lamp. Dimmable with most LED compatible ELV or triac dimmers. Suitable for wet locations. ADA compliant.

### INSTALLATION

Mounts to a standard 4" square junction box with round plaster ring (provided by electrician).

### WEIGHT

9.1lb / 4.13kg ±
