

Hex 24 Pendant

LED T20

DESCRIPTION

Designed around the geometry of a pentagonal cube, the Hex Suspension light by Tech Lighting streams light through its honeycomb shape to create a visual sense of organic depth. This artfully interesting fixture provides fun visual engagement through its unique make-up as well as shadow effects when illuminated. Further enhancing this unique fixture are two on-trend color options, Matte White and Matte Black. The Hex is available in two sizes and is incredibly functional over a dining room table, family room space or home office. The integrated LED lamp is fully dimmable to create the desired ambiance using a low-voltage ELV or Triac dimmer. Includes, 12 watt, 375 delivered lumens, 3000K, 90 CRI LED module. Dimmable with LED compatible or triac dimmer. Dimmable with most LED compatible ELV and TRIAC dimmers. 277V compatible with 0-10V dimmers. Includes 12 feet of field-cuttable cloth cord to match finish selection.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.
