

Kenton Wall

LED ADA T20

DESCRIPTION

The Kenton Wall sconce light by Tech Lighting features a contemporary design that boasts a clean and simple geometric shape. This high-output wall sconce keeps function first producing large, and equal amounts, of up and down light. The Kenton can be mounted vertically or horizontally for added design and practical functionality. This contemporary sconce is available in three sleek finishes Gold, Rubberized White and Satin Nickel. Modest in size the Kenton Wall is ideal in hallways, bedrooms, closets and commercial spaces. Your choice of LED integrated lamping means this fixture will stand the test time. All lamping options are fully dimmable to create the desired ambiance in your special space. Includes (1) 18 watt 883.3 delivered lumen 80 CRI 3000K LED module. ADA compliant. 120v or 277v.
