

BATH COLLECTION

Tiffin 36 Bath

DESCRIPTION

The Tiffin LED bath light from Tech Lighting features dual linear diffusers made of high quality frosted acrylic which are separated by a sleek band of metal finished in your choice of sleek satin nickel or crisp matte white. The opposing nature of the diffusers in this LED vanity light allow its light to be evenly distributed either up or down or side to side depending on the direction in which it is mounted. In addition to each Tiffin bath light fixture being able to be mounted horizontally above a mirror, they also can be mounted vertically flanking a mirror or as a wall sconce light and are fully dimmable for creating the desired ambiance. Includes 30 watt, 1290 delivered lumen, 2700K LED module. Mounts horizontally or vertically. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
