

Aeon Linear Suspension

LED

T20

DESCRIPTION

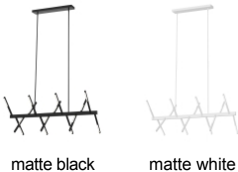

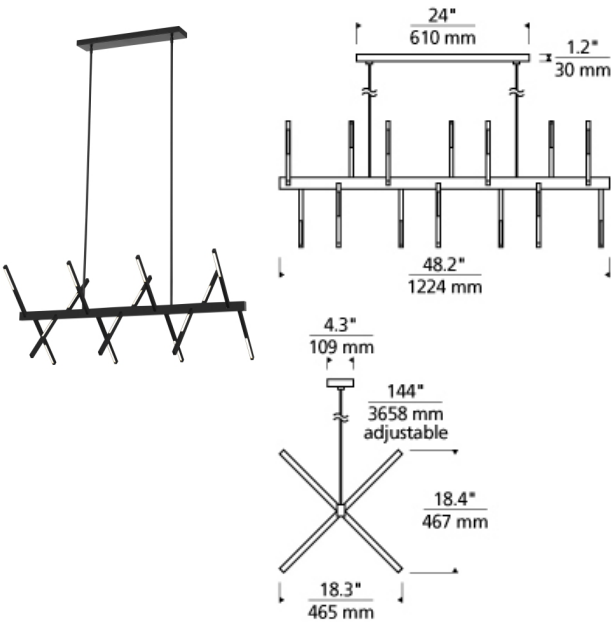

The Aeon Linear by Tech Lighting is a dynamic modern interpretation of tree branches that creates a playful motif in any space. Elongated arms feature direct and indirect light for a dramatic sculptural look in residential or commercial linear lighting applications. This linear work of art scales at 18" in height and 48" in width making it ideal for office lighting, conference room lighting and dining room lighting. Match the Aeon Linear to your precise taste by choosing from one of two on-trend finishes. The Aeon can carry into other areas of your space as this collection is available as a chandelier, wall sconce and flush mount. The integrated LED lamp is fully dimmable to create the desired ambiance using a low-voltage ELV or Triac dimmer. 120-277 volt universal 95.2 watt, 5198.6 delivered lumens, 3000K, 90 CRI LED linear modules. Dimmable with low-voltage electronic, triac, or 0-10v dimmer. Includes (4) 6in, (4) 12in and (2) 24in rigid stems in coordinating finish.
